

Economic Development

Economic Development: Support to minority and women-owned business.

Economic Development is the third element of MEEPS. This support to minority and women-owned business help to create a more level playing field in the world.

Gamma Phi Delta Sorority, Incorporated is part of the Coalition of Business and Professional Women's Sororities that host annually the Small Business Shop for women business owners inside and outside of our organization.

Gamma Phi Delta Sorority, Incorporated prides itself on all the projects geared to support, empower and uplift women around the globe.
